## Summer Temps

We at C.S.S. have been blessed to have had three outstanding young people join us during the summer breaks.

Anna Peñaloza joins us for her second summer. Anna works alongside Donna and Ovi in the front office.

Anna graduated with honors this year from North High. She will be a freshman at UCR, where she will major in Spanish. After graduation Anna plans to obtain a career in sports medicine.

Travis Scott is a class of 2006 Honors graduate from King High and attends Cal State San Marcos where he will be a sophomore majoring in communications.

Travis was an all Ivy League Baseball player at King and plans on playing baseball at San Marcos. Travis's plans include teaching and coaching at the high school level.

While at C.S.S. Travis has been working along side Russ Thomas and Joe Iglesias.

Josh Alvarez will be a senior at Woodcrest Christian where he maintains honors grades. At this time Josh has not decided where he will attend college after graduation from high school.

Josh has proven to be very accomplished at every task assigned him with a willingness to learn and handle responsibility on his own.

Josh's positive attitude and work ethic will carry him far in life.

C.S.S. appreciates all that these three young people have brought to our company this summer and wishes them success in their future.
